Honey Judge Certificate

Issue Dec 2016

THE SCOTTISH BEEKEEPERS' ASSOCIATION

THE HONEY JUDGE CERTIFICATE

PROSPECTUS

AIMS

1. To improve the standard of presentation of beekeeping products in Scotland.
2. To give beekeepers who have obtained the SCOTTISH BASIC BEEKEEPING CERTIFICATE & have obtained the SBA MODULE 2 CERTIFICATE and who have a comprehensive knowledge of the preparation of honeybee products for show and sale and the showing of other bee related exhibits, the opportunity to obtain the SCOTTISH HONEY JUDGE CERTIFICATE.

CONDITIONS OF ENTRY

1. The candidate shall have gained the SBA BASIC BEEKEEPING CERTIFICATE or equivalent qualification approved by the SBA Education Committee. The date when the certificate was obtained shall be entered on the application form.
2. The candidate shall have passed Module 2 of the SBA or BBKA Module examinations.
3. The candidate shall complete a REQUIREMENT LIST (see end of this document) which should provide evidence of having been awarded at least twenty prizes in ten classes in honey shows at local or national level.
4. The candidate shall have acted as a Steward to a Certified Honey Judge in not less than 3 local honey shows and in at least 3 major honey shows . The Royal Highland Show, the Scottish National Honey Show and the UK National Honey Show or a regional show with more than 100 entries shall qualify as major shows.
5. The candidate shall have judged a local honey show under the supervision of a Certified Honey Judge, explaining the reasoning behind decisions made.
6. A completed examination Application Form, with a completed Requirement List and a list of shows at which they have stewarded and judged and the appropriate fee shall have been received by the Education Officer prior to the deadline published in The Scottish Beekeeper magazine or on the SBA web-site.

AWARD OF CERTIFICATES

1. The SCOTTISH HONEY JUDGE CERTIFICATE will be awarded to a candidate who has passed the practical and oral parts of the examination and who has passed Module 2, HONEYBEE PRODUCTS AND FORAGE. The certificate will be awarded at Pass (60%), Credit(70%) and Distinction (80%)

THE EXAMINATION

1. The candidate will be required to pass Module 2, pass the oral examination and demonstrate a high standard of competence in the judging of any class which might be encountered at a major honey show.
2. The examiners will be looking for a thorough knowledge of the preparation and exhibition of honey and allied classes; also of the ability to detect possible faults, adulteration and faking.
3. The candidate shall demonstrate knowledge of an organised system of judging which can deal with a wide range of situations likely to be encountered during judging.

PRACTICAL

1. The candidate shall bring to the examination all the items necessary to allow the proper adjudication of any class in a show.
2. The candidate shall bring to the examination the completed REQUIREMENT LIST, together with samples, for consideration.
3. The candidate shall bring samples from each of the ten classes in the Requirement list. These shall be prepared as for exhibition and each shall be accompanied by a short written statement of their good and bad points in the candidate's opinion as a potential honey judge. Faulty preparation of the samples will count against the candidate. Candidates are NOT required to provide samples from any of the ten classes listed if they have produced evidence of having been awarded prizes in these classes. See 'Conditions of Entry' para 3.
4. The candidate will be required to judge a selection of classes at a honey show, or at a specially staged show, identifying the first, second and third in order of merit. Six other individual samples, some with faults, will be provided by the examiner for comment by the candidate
5. The candidate will be allowed to proceed with the judging free from comment. The oral examination will commence when the judging is complete.

ORAL

The candidate will be required to:

1. discuss the reasoning behind the judging decisions made;
2. discuss the samples he/she has brought;
3. describe the written statements concerning the samples;
4. describe the procedure during judging, including reference to the show schedule and rules;
5. describe the use of judging equipment, placing emphasis on points of hygiene;
6. discuss the points and comparison methods of arriving at a decision;
7. discuss the 'weighting' given to flavour, viscosity, aroma, cleanliness, etc, when making a decision;
8. describe and discuss the following: honeydew, thixotropy, frosting, shrinkage, type of granulation, fermentation, honey cakes, confectionery, beeswax (colour and adulteration), beeswax candles, mead, displays, observation hives and composite classes;
9. describe and discuss 'natural faults' in section honey, cut comb honey and combs suitable for extraction, including faults such as damage from braula and wax moth;
10. discuss possible faking (loose cappings put on cells, bleaching and adulteration of beeswax), overheating of honey;
11. show an appreciation for the necessity for good food handling practices by judges, stewards and exhibitors;
12. discuss the duties of a steward;
13. discuss the requirements of a show schedule.

WRITTEN

Candidates shall have obtained the SBA or BBKA Module 2 certificate prior to sitting the Honey Judge Examination.

The syllabus for SBA Module 2 can be found on the syllabus section of the SBA web site.
